

Why should my child attend **Summer Camp** *at Avon Montessori?*

- Our Summer Camp is an art- and nature-based Montessori camp. It combines facets of the Montessori approach with additional art, nature, and outdoor enrichment activities. Our Summer Camp is always hands-on, interactive, and most importantly ... FUN!
- Our Summer Camp is led by experienced Montessori teachers, not high school students.
- Our Summer Camp is mixed age, allowing us the opportunity to personalize your child's experience to his unique challenges and strengths. Without the constraints of age-determined camps, Avon Montessori is able to meet your child's unique needs.
- Introducing your child to AMA and the Montessori curriculum throughout the summer makes for a smoother transition when school begins in the fall.
- Your child will be in a safe and secure environment with loving, caring adults that specialize in Early Childhood and Elementary education.
- You child is able to begin the learning, growth, and development that is a hallmark of Montessori throughout fun summer months. This lays the foundation for even greater whole-child development as the school year begins.
- If your child is joining our Toddler or Children's House classrooms in the fall, he will experience this new classroom environment with a smaller teacher-to-child ratio and in a fun Summer Camp setting. This allows him time to become familiar with and comfortable in a new environment before the first day of school.
- June 14th - August 6th
 - 8 weeks, two 4-week sessions
 - Half Day and Full Day options available
